**Re: In the Matter of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

The reason I have chosen to have Sonic.com to be my internet provider is about cost and customer service. Xfinity (aka; Comcast) services are expensive and after trying to remove an option from my plan, they did everything they could to keep my tied to their company. I don't have a telephone, and they have steadfastly refuses to remove, citing my plan cost would go up because I would be required to go to another plan. This sounds like bullying to me. This is why I am now with Sonic.
